

## ABOUT US

TAYAŞ GIDA, which started its activities in a small workshop in Konya with 100% Turkish capital in 1965 by the Taycı family, exports 95% of its production to 136 countries with its 60,000 m<sup>2</sup> production and storage facilities equipped with the latest technology in GOSB today. With over 1200 employees, it is one of the leading industrial establishments that produces 250 tons of ready-to-sale products per day and adds value to the Turkish economy. It has the world' s highest level of certification and standards in its production facilities.

TAYAŞ GIDA produces hard candy, chew candy, compound chocolate, bar type products, liquorice, gummy and biscuit products.

TAYAŞ GIDA, which has achieved great success in the international market; It regularly ranks 5th and 6th in the list of companies exporting to the most countries organized by Tim for the last 12 years. Today, it has become one of the most important confectionery and chocolate manufacturers in Türkiye and in the world.

It has the 17th Approved R&D Center of the Ministry of Industry, which can adapt to the high production standards and codex of different countries, make detailed food analyzes, and make a difference in product, production and competition.

We have a warehouse and sales office in New York, USA, and a sales office in Shanghai and China.

TAYAŞ GIDA, which has achieved great success in the international market, has more than 250 product types in its wide product range that appeal to different tastes. Our company, which owes its experience in export to the high quality and hygiene control norms that it applies without compromise, has ISO 9001: 2015, ISO 10002: 2018, ISO 27001: 2013, FSSC 22000, BRCGS, IFS and HALAL food certificates from Quality, Food Safety and Halal Food Management system certificates.

Tayaş Gıda, which can ensure compliance with the most stringent food codex of different countries and perform detailed food analysis, adopts unconditional customer satisfaction as a principle and continues its success in practice. The Golden Quality Star award, which was won in Geneva-Switzerland in 2000, registered the success of Tayaş and reinforced its effort to reach perfection. In addition to quality,

continuous improvement is one of the main features of Tayaş. With the coordination of the marketing department, the R&D Center provides guidance for new products and plays a key role in the development of existing product.

TAYAŞ GIDA, continues to deliver its quality to wider audiences with its ever-increasing product variety, to develop its sector with the right investments, and to work for a sweeter world. With the pride of always producing the best, Tayaş' s main goal is to produce the best in the future.
